

Season Greetings!!!

Welcome all to the last newsletter for this year! I'm sure you're just as shocked as we are that another year has flown by and is about to leave us, but don't dwell on that just think it's another opportunity to hit the beach, spend time with family and receive those presents you subtly told everyone to buy for you. We hope you all enjoy yourselves these holidays and you create many wonderful memories.

Enjoy the beach, opening presents, family gatherings & most of all the wonderful food. The team at Divine Smiles can't wait to hear your stories as you come for a check-up, clean or finishing off your incomplete treatment plan.

Simple Helpful Hints

At Divine Smiles we know you'll enjoy yourselves this Christmas and we're hoping to help you through this festive holiday with minimum possible damage to your teeth. Some simple tips are:

- ♥ Brush twice a day (Morning and Night).
- ♥ After drinking Soft drinks/Alcohol wash it down with water to reduce acidic effects on your teeth.
- ♥ Floss at least once daily.
- ♥ Watch what you're eating, don't feel restricted but just be mindful.
- ♥ Visit us at Divine Smiles every six months for a thorough examination and clean by our friendly hygienists, to keep that unfriendly plaque away.

Product Profile

Have braces, bridge, or large gaps that require special flossing?

Oral-B Super Floss would be the perfect product for you. It's designed to help people who can't use normal floss due to inability to thread into the spaces. Super floss is designed with three sections to make flossing simpler. The sections consist of a stiff threading end, to help manoeuvre the dental floss through the spaces. The second part is a spongy dental floss, it's softer on the gums and due to its expanded size it reaches more places and grips onto the plaque. The third section is your normal dental floss which helps with the remainder of the teeth so you don't have to use multiple products.

- Allows you to floss under appliances
- Cleans around appliances and between wide spaces
- Removes plaque under the gum line
- Supplies you with pre-measured strands

For more information you can ask our friendly staff or log onto their website:
www.oralb.com/products/super-floss/

All information was supplied from Oral-B.

Top Stories – Patient's Take Over

Birthdays:

In the practice we have only one Birthday this November in the practice.

♥ Brittany

As of yet there are hardly any updates, if you would like to be part of our newsletter please don't hesitate to let us know. Some ideas could be: Going on holidays, A birthday (your own or a family members), An anniversary, A wedding, Birth of a child or just a lovely picture you would love to see in our newsletter.

Kid's Corner

Hey Kids, once again I've picked a cartoon I hope you all like and I've made a festive word search for you, once again if you don't know what something means you can ask your parents of the friendly staff at Divine Smiles.

Meet the Staff

I've worked as a Practice Manager for the past 7 years. I started in the dentistry field when I was 16 and enjoyed it immensely. My first surgery I worked at was in Sydney and started with chair side assisting. I met my husband and we married early and decided to have children straight away. I have been married for 28 years and have 3 children and 2 grandchildren with one on the way. I was a stay at home mum for 6 years when I realised how much I missed working. I did a course of Basic Office Management and worked in General Offices for some time before trying the dental field again. Upon going back into the dental field I started again at chair side then worked up to Receptionist to the position I hold now as Practice Manager. I take my position seriously and enjoy working at Divine Smiles with Dr Ram Das and Dr Chitra Das and the rest of the Divine Smiles staff.

Name: Victoria Wolfenden
Age: 46
Position: Practice Manager

From the Front Desk

Hey Guys, just a quick message from the front office:

With Christmas Wishes blessed upon all, Divine Smiles would like to take the time to personally thank you and your family for another wonderful year and we look forward to seeing you all again in the years to come. We not only enjoy seeing you but the stories you bring us, the pictures and the smiles you leave us with may only be a simple way to show your thanks but it means the world to our practice.

Once again we hope to see you in the New Year, if however you haven't made an appointment for 2012 don't fret you can still jump on the bandwagon and give us a call, our front staff will be more than happy to help set a time to suit.

From the Front Desk,
Vicki & Chantelle
